Atlantic Electropoise: Gentlemen—for the past five years my wife has been a sufferer from dyspessa. So completely did the disease make a wretk of her former self that life was almost descripted of. Her nervons system was almost an appired of. Her nervous system was almost en-tirely destroyed, and the slightest noise would throw her into a nervous spasm, which would last for hours Medical skill failed to bring any re-

digestion is wonderfully improved; she is rapidly gaining in flesh; and, upon the whole, is making a rapid recovery, which speaks volumes for the wonderful carative powers of the Electropoise, as her case was considered hopeles. If any are skeptical on the subject, let them try the Electropoise, and its wonderful powers will quickly disall doubt. Yours truly, WM PROPET.
